

Connection request for provisional gas supply to perform testing

In their capacity as authorised individual gas installer, Mr/s
....., of legal age, with National ID no. (DNI)
representing the installation company
(hereinafter the "Installation Company"), with registered address at
....., which, for the purposes of conducting the tests
prior to commissioning, in the installation and/or equipment located at
....., with installation power of kW, number
of homes and for use (to be chosen
between DHW, heating, air-conditioning and/or testing device per unit),

Hereby declares:

- I. That s/he is duly accredited and has all the certificates required by current legislation.
- II. That s/he has sent the relevant communications to the owner of the installation and has the authorisation of the same to request a provisional gas supply for testing the installation or equipment.
- III. That, in accordance with current legislation, the need for the provisional gas supply to perform the appropriate tests is justified.

Given the foregoing,

S/he requests:

....., hereinafter The Distributor, that provide the connection for a provisional gas supply to perform the tests required in the installation or on the equipment in the aforementioned building for a period of 30 days, all in accordance with the liability regime set forth in the current legislation. It will also be provided with the CUPS code so it can contract the gas supply from a marketing company.
