RE: Right of way for preventive maintenance on underground gas pipes.

Dear Sirs,

We hereby grant you the mandatory permanent right of way for the installation of the underground internal connection, in favour of _____, (hereinafter The Distributor) and for performing the regulatory preventive maintenance of these installations in accordance with the current legal provisions.

Likewise, we agree not to plant any trees or long-stemmed shrubs, or raise buildings or build sewers, at a distance of less than 1.5 m from the pipe's axis, and not to perform any ploughing, digging or other similar works to a depth of more than 40 cm on a one-metre strip of land to each side of the pipeline.

This assignment of right of way will be notarised at the time that is deemed appropriate, at the The Distributor's request.

In compliance with the provisions set forth in the current legislation on Personal Data Protection

, informs you that your personal data will be processed for the purpose of complying with the applicable legal obligations. With regards to the communication of your personal data, this may be shared with public bodies and authorities, for guaranteeing compliance with the applicable legal regulations.

You have the right to access, rectify and erase the data, as well as restrict or object to the processing of the same, and exercise your right to the portability of the personal data, at any time, by writing to Claims - Personalised Attention at Plaça del Gas nº2 – 08003 Barcelona, with the reference "Data Protection Request - Nedgia" or to the email address sgestionre@nedgia.es and attaching a copy of your national ID document (DNI/NIE). We recommend you refer to the detailed information on data protection available on our website www.nedgia.es/en/1297078202422/legal+notice.html or request it to be sent to you by email.

RE: Right of way for preventive maintenance on overhead gas pipes.

Dear Sirs,

We hereby grant you the mandatory permanent right of way for the overhead installation that passes through our property, in favour of _____, (hereinafter The Distributor) and for performing the regulatory preventive maintenance of these installations in accordance with the current legal provisions.

Furthermore, we agree not to build anything that could affect the accessibility or diminish the fastenings of the installation, or use the same as a support for foreign elements.

This assignment of right of way will be notarised at the time that is deemed appropriate, at the The Distributor's request.
